# Team Goals

- Develop a proposal that includes cost estimates, a timeline, and priorities to address how to develop and grow the Hydrogen Highway Network
- Develop proposals to accelerate the commercialization of hydrogen in California utilizing mobile and stationary technologies.

# Blueprint Topic Team Framework

- 80 participants
- Four subgroups
  - Production and Distribution
    - Evaluate Options for hydrogen production and delivery
  - Applications
    - Identify potential hydrogen-powered applications
  - Sites
    - Identify existing and planned hydrogen projects in California
  - Commercialization
    - Identify customer pull and technology push to accelerate commercialization
- Evaluation Timeframe: Now, 2010, Beyond 2010
